Membership drives should also focus on retaining enthusiastic members. A personal invitation to the next Council event can help!

Keeping Fr. McGivney's Dream Alive

It's been a busy first quarter! Our Council Activities Report, due September 30th, looks impressive, as we have conducted and completed several activities: Knights of Columbus Family Week, our summer mass & picnic, State, District, and Diocesan meetings, our Membership Blitz, Corporate Communion with breakfast, and the Living Rosary for World Prayer for Peace day on 9/11. Special thanks to all who have given their time to make these projects a success for us.

As we focus the 2008-09 fraternal year on membership, let's also remember the importance of retaining our current members. Key to this goal is keeping current members and their families enthusiastic about the Knights of Columbus. If you have sponsored or are a mentor to one of our Brother members, I challenge you to call him and ask him to join us at our next meeting or function. Let's keep Fr. McGivney's dream alive at our Council!

Enjoy the new *Knigh**tly** News* format, and mark your calendars for future meetings and events!

Vivat Jesus!
